

Congratulations on being chosen for one of our 2-week CIT sessions at Camp Geneva this summer!

I am so excited to spend 2 weeks getting to know you and working with you. We have so much planned and you are going to be an integral part of it. This confirmation booklet will tell you everything you need to know before coming to camp. Here are some extra details so you can prepare for your time of service at GENEVA.

You will begin your 2-week session at camp by spending a week together in a cabin at **GENEVA Shores**. During that week CITs will deepen their spiritual walk and serve in the various support roles of camp in preparation for the time they will spend with campers the second week alongside a counselor.

At the end of your first week at camp, you will be free to return home for the weekend at 6:00pm on Friday. Then we'd like you to return to GENEVA and report to the Shores dining room for dinner with summer staff at 5:30pm on Sunday.

Please pack only appropriate clothing and swimwear (girls: one-piece suits required). Only bring clothes that you would not mind being ruined. Your time here will be very active and you will probably be dirty and sweaty much of the time. Also, carefully consider what kind of advertising may be on your clothes and make sure the size, style, and fit are appropriate. You will be a role model for children in everything you do at Camp Geneva, including the clothing you wear. Please refer to the dress code in this confirmation.

One final thing for you to bring is an idea for at least one activity to do with a group of ten 1st-5th grade campers. This could be a 10-minute activity or a 40-minute activity and shouldn't require any "props" unless they are cheap and you want to bring them. Type or write out the idea and bring it with you. Feel free to use any experience and resources you have and be creative!

I can't wait to see you this summer!

Sincerely,

Aubrey Holzinger
2011 High School Camp Coordinator

DRESS CODE

In an attempt to create a positive environment, we require that all clothing be modest and appropriate for life in a Christian community. We require modest 1-piece swimsuits (no tankini's please) and clothing that is not revealing. Halter tops, bare midriffs, spaghetti straps, very short shorts and clothing that is distracting or indecent or has inappropriate images or slogans will not be allowed. The dress code will be enforced by our summer staff, and campers wearing clothing deemed inappropriate will be asked to change.

LOST & FOUND POLICY

Please label all belongings! First and last names, please. Initials don't help much when we have over 3,500 campers! GENEVA is not responsible for items left behind, lost or stolen. Any items not claimed after 14 days will be given to charitable organizations.

Hints on how to reduce the risk of leaving stuff behind:

- **Label all belongings!** First and last names, please!
- Check the hooks in the bathroom before you leave camp!
- Best advice of all: send all old stuff so it doesn't matter if they lose it!

All medication must be in the original container, be prescribed for the camper, and include clear and current directions.

The camp health officer will be available at check-in for those of you who have questions or want to see her about other health concerns.

The camp health officer stocks most common over the counter medications such as Tylenol, Advil, and cold remedies, so it is not necessary to bring them.
