

Early Drop-off Information

Dear camper and parents,

Here is some additional information you need to know if you signed up for early drop-off.

Please arrive **between 7:30am-8:00am** and go to The GENEVA Center. Day campers will eat breakfast in the Dining Room with the Day Camp staff promptly at 8:00am, so it's important that you are here on time.

At 8:25am, the Day campers will go back to the Pavilion and have a chance to play on the playground while the other campers are arriving.
