Have you checked out GENEVA's website recently? There's lots of good information there - including all the confirmation information.

ARRIVAL

All campers will go through a preliminary health screen as they arrive before checking in.

- **Health screen**—your first stop is the Dining Hall Lobby where campers will be checked for head lice and any other health issues. If you have any medications you will drop them off at this time. The nurse will begin that process 15 minutes before check-in starts. After going through the health screen, you will have your hand stamped. This stamp is required before check-in.
- **Check-in**—next you will proceed to one of the alphabetical lines on the patio to receive your cabin assignment, nametag/t-shirt voucher, and your punch card (if you pre-ordered one).
- **Sign-in**—finally, parents will accompany the camper to their cabin to meet the counselor and sign the camper in, indicating to whom we should release the camper at the end of the week.

The camp store will be open during check-in.

No pets—GENEVA has a no pets policy, so please do not bring your pet when dropping off and picking up your camper.

DEPARTURE

Parents are welcome and encouraged to attend the closing program in the Activity Center on the last day of camp. Campers may be picked up at their cabins following the closing program, which lasts approximately 30 minutes.

Campers with a 6:00pm closing will be given dinner prior to departure.

You will be required to sign your child out with the counselor. We will not release a camper to anyone other than the person designated at the beginning of camp. We discourage early dismissals, but if it is necessary for you to pick up your child early, you must make arrangements with the counselor when you check in.

The camp store will be open during check-out.

DRESS CODE

In an attempt to create a positive environment, we require that all clothing be modest and appropriate for life in a Christian community. We require modest 1-piece swimsuits (no tankini's please) and clothing that is not revealing. Halter tops, bare midriffs, spaghetti straps, very short shorts and clothing that is distracting or indecent or has inappropriate images or slogans will not be allowed. The dress code will be enforced by our summer staff, and campers wearing clothing deemed inappropriate will be asked to change.

LOST & FOUND POLICY

Please label all belongings! First and last names, please. Initials don't help much when we have over 3,500 campers! GENEVA is not responsible for items left behind, lost or stolen. Any items not claimed after 14 days will be given to charitable organizations.

Hints on how to reduce the risk of leaving stuff behind:

- **Label all belongings!** First and last names, please!
- Check the hooks in the bathroom before you leave camp!
- Best advice of all: send all old stuff so it doesn't matter if they lose it!

CAMP STORE

Be sure to stop by our Camp Store! The store is open during check-in and check-out, as well as daily during free-time. We have a really unique assortment of Geneva apparel, snacks and novelty items. Discipleship campers will not be able to purchase punch cards. You will be responsible for your own spending money.

WHAT TO BRING

All items should be labeled with camper's name!

MAIL CALL!

No Packages

Packages will not be accepted for campers again this year. The only exception will be for a camper who is at camp during his/her birthday. We will accept small packages for birthday campers but they may not contain any food items. We celebrate camper's birthdays one night each week at dinner with birthday cake provided by our food service staff.

Letters & email

We will continue to accept emails and letter-size mail for campers (no food or other items inserted) but we ask that you limit the number of emails campers receive to no more than one or two per day. As you write, please focus on your child's camp experience instead of what is happening at home in order to help avoid creating homesickness.

Cabin numbers must be included on the letters/emails in order to ensure delivery. Everything received by 3:00pm will be delivered at suppertime the same day. No mail will be delivered on the day the campers go home so the latest time to send emails is 3:00pm on the day before they depart.

We do not provide campers with access to a phone or a computer. Should you need to leave an emergency message for a camper, you may call the GENEVA office at 616.399.3150 or 800.805.0808 during business hours (8:00am to 5:00pm). If you have an after-hours emergency, call 616.820.9067.

MEDICATION & INSURANCE INFORMATION

All medication brought by the camper (prescription and over-the-counter) must be given to the Camp Nurse at check-in.

All medication must be in the original container, be prescribed for the camper, and include clear and current directions.

The camp nurse will be available at check-in for those of you who have questions or want to see her about other health concerns.

The camp nurse stocks most common medications such as Tylenol, Advil, and cold remedies, so it is not necessary to bring them.

Should the camper be injured in an accident which comes as a result of GENEVA's negligence or liability, the GENEVA insurance policy will pick up where your personal policy leaves off after all deductibles in your policy have been met.

Illness and sickness are not covered. Any outside charges incurred related to illness will be billed to parents or guardians.

*The form below must accompany any medications the camper brings along.
Please cut on the dotted line and bring with you to registration.*
